☀ Late 1990's was Introduced to Reiki by a friend

☀ Received Brennan Healing Science training from my healer - a direct student of Barbara Brennan

☀ *Including channelling and healing*

My Awakening cont.

The Swedish Attunement

- ☀ I received the start of an **Awakening** cascade via Aliens and a spiritual friend in Sweden.

A Journey Amongst The Frequencies

(meeting my first energetic Entities)

- ☀️ Learnt to traverse the lower frequency levels through the energy healing courses.
- ☀️ Reprimanded when my teacher for going higher than the 7 known Auric levels.
- ☀️ I Discovered more Auric levels above the 7 associated with the Chakras
- ☀️ Discovered other entities existed above frequency level 14.

A Journey Amongst The Frequencies (meeting my 1st energetic Entities) Cont.

- ☀ The 1st Entities contacted were -
 - ☀ Byron
 - ☀ Aliens in a base on Crete
 - ☀ The OM & Hum
- ☀ Gradually started to experience contact with 'The Source Entity' (*we know as God*) and 'The Origin' (our Source Entity's creator) required me to traverse the higher frequency levels

These communications are the basis of my 1st book:
'The History Of God'

A Short History Of The Origin and The Source Entity

A Short History of the Origin

- ☀ The Origin is
 - ☀ *The ABSOLUTE*
 - ☀ *The ALL*
 - ☀ A sentient energy, of frequency and dimension
- ☀ The Origin's self investigation Initially resulted in -
 - ☀ Experience
 - ☀ Knowledge
 - and
 - ☀ Evolution
- ☀ The Origin desired acceleration of evolution & Created 12 copy Origins -
 - ☀ *Equal to Itself* and *External to it's* area self awareness

THIS FAILED!
- ☀ So The Origin then created 12 'Source Entities'
 - ☀ Equal to *Each Other* but *Lesser* than itself and *Internal to it's* area of self awareness

One Of Which Became Our Source Entity

A Short History of our Source Entity

(we know as God)

☀️ Our Source Entity

- ☀️ Created by the Origin
- ☀️ A singular energy source
- ☀️ Left to it's own devices
- ☀️ Once self aware was given the task of
 - ☀️ Progressing (*Experiencing, Learning & Evolving in any way possible*) and
 - ☀️ Passing this content back to the Origin.
- ☀️ Source Entity created our **Multiverse**
 - ☀️ And Populated it with smaller versions of itself.
