

GUY STEVEN NEEDLER

What is a Multiverse?
What is a Multiverse?

Multiverse vs. Universe

☀️ Multiverse

- ☀️ Belongs to **Our Source Entity**
- ☀️ Structured
- ☀️ Made up of ***all* the Universes** in our Source Entity's *control*

☀️ Universe

- ☀️ Equals **One Frequency Level** (Also referred to as a Frequency Band, or Environment) containing a number of Sub Frequencies
e.g. A Frequency is like a Radio Bandwidth which contains a number of Radio Frequencies within the Bandwidth

Frequency Bands

☀️ **Frequency Level or Frequency Band is a:**

☀️ Form of Energy

☀️ Environment

☀️ Condition for Energies to exist within

☀️ **The Multiverse combines Frequency Levels to make up Dimensions**

The Multiverse and Dimensions

- ☀️ **12 Dimensions** exist in **Our Source Entity's Multiverse**
- ☀️ Each **Dimension**, *except our own – the First* has the following structure
 - ☀️ Made up of **3 Sub-Dimensional** components
(Described as 'Tritaves' in channelled communications)
 - ☀️ Each **Sub Dimensional** component is made up of **12 Frequency Levels**
 - ☀️ **One Dimension = 36 Frequency Levels**

Our Universe

☀️ Our Universe is *Unique*

~ *It Exists within the First Dimension* ~

☀️ Also referred to as 'The Physical Universe'

☀️ It occupies ALL of this first Dimension

☀️ The **First** is the **ONLY Dimension** that is made up of **12 Frequency Levels** only

☀️ Within a composite Sub-Dimensional component condition

☀️ **Our Universe**, is therefore split into:

☀️ ***12 Specific Frequency Levels***

Our Universe Contd.

Structure of Our Universe the First 12 Frequency Levels

- ☀ The Human Form uses/occupies 10 Frequency Levels:
 - ☀ The first **7 Frequency Levels** (1 to 7, Auric Layers) Comprise of
 - ☀ 3 Levels for The Physical
 - ☀ 4 Levels for The Spirituo-Physical
 - ☀ The next **3 Frequency Levels** (8 to 10) are associated with
 - ☀ The Energetic Aspect of The Human Body
 - ☀ The last **2 Frequency Levels** (11 & 12) are between
 - ☀ The Upper Energetic Level of The Human Body
and
The End of The Physical Universe

*The next two Frequency Levels 13 & 14
are where we will ascend into
(Reserved Frequencies in the 1st part of the 2nd full Dimension)*

Structure of the Multiverse

Under control of Our Source Entity

Has 12 Dimensions

= 11 Dimensions x 36 Frequency Levels

+ 1 Dimension x 12 Frequency Levels

= Total of 408 Frequency Levels

However only
397 Universes

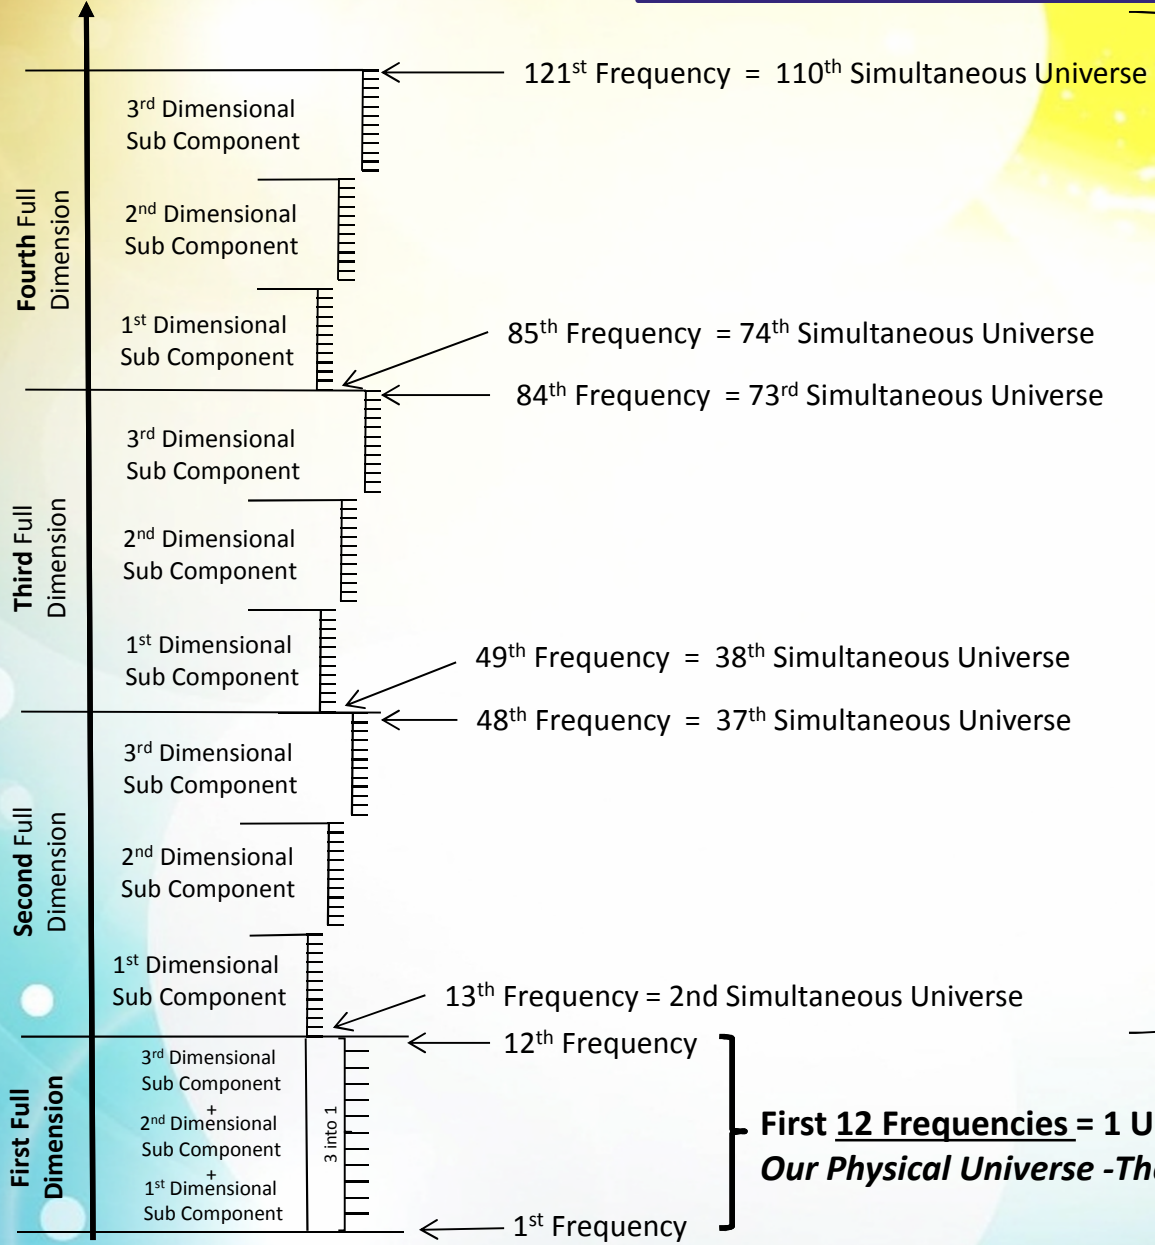

Example Dimensions

Evolutionary Ascension Towards Full
and Total Communion with Our Source - God

Example of the Structure of the Multiverse

One Frequency
=
One Simultaneous Universe

First 12 Frequencies = 1 Universe
Our Physical Universe - The First Simultaneous Universe
