Energy Healing Workshop 2022

This is a serious class!

In four stages over a year, step by step with study, test, homework, practice

To give you a comprehensive understanding of the practical use of frequency & energy in healing

It has the basis out of Barbara Brennan, and developed and perfected by Guy Needler.

It is a rare opportunity!

Guy will teach his long-term practical experience and unique expertise.

It is not just a course

It is a future where you go with the Pioneer together.

This is a investment for yourself!

It allows you to operate in the simplest and most efficient way possible,

To protect, heal, attune yourself and your loved ones even from afar

And constantly improve your understanding of energy and physical aspects

Eventually, this technique could be your career.

Those who will need this course:

- People whose career goal is to be a healer like hypnotherapist

You can learn to create stronger shields for yourself and others for comprehensive and steady protection from negative influence of various clients

Gain in-depth understanding of the techniques of energy frequency healing

Acquire a fast and efficient energy healing system dealing with all kinds of problem

- People who are sensitive to energy

You can learn how not only better protect yourself from energy sensitivity, but also to better utilized your gift on energy

Sometimes it's a gift and an obsession, so let Guy guide you to use it

- People who wants to explore more about energy and themselves

It could be their handy tool boxes to help themselves and their family and friends, while they will definitely explore more further into the greater reality of life.

Guy Steven Needler

A senior member of CMA, Complementary Medical Association
