Still Here After 21 Dec 2012?

Still Here After 21 Dec 2012?

People who were convinced that they would
? 'Ascend' on 21st December 2012
are confused and despondent

*Earth is no different
than the day before 'Ascension'*

Confused ?

Still Here After 21 Dec 2012?

Lets REMOVE the confusion

Still Here After 21 Dec 2012?

☀ Ascension up the Frequencies is a:-

Slow

Gradual

Robust

and

Repeatable Process

Large changes that have been expected
WILL NOT and CANNOT happen

Still Here After 21 Dec 2012?

In February 2012.....

- ☀ There was an increase in the base frequency - the level expected to be attained was **Surpassed**
- ☀ This change will allow those not previously capable to start questioning their environment

Dates are Estimated Milestones

Dates are Estimated Milestones

- ☀️ Dates used by spiritualists are generated by information received from energetic helpers
- ☀️ These are misinterpreted as being dates for specific events

Dates are Estimated Milestones

The Flat Road to Ascension

Dates are Estimated Milestones

This Requires a
'Critical Mass'

The Flat Road to Ascension

Dates are Estimated Milestones

**The 'Critical Mass'
Needs to be
Maintained
or we Descend**

The Flat Road to Ascension

Dates are Estimated Milestones

The Gradual Road to Ascension

Dates are Estimated Milestones

This is preferred to the sudden 'Cliff Face; ascension that spiritualists desire

A 'Cliff Face' Descension' is just as likely to happen

Set backs would severely affect the confidence of the human race in totality

Dates are Estimated Milestones

***We are experiencing Set Backs NOW!!
Have you noticed !!!***

Ascension is a Gradual Process

Ascension is Gradual Process

- ☀ Do not worry about that which was *expected* to 'be' ascension-wise
- ☀ Work instead with that which you **want it to 'be'**

Commit yourself to assisting in its acceleration

Remove the 'need' for low frequency
incarnate experiential existence

- ☀ Assure a:
Gradual, Repeatable and Robust Ascension

Ascension is Gradual Process

- ☀️ **Gradual Ascension** enables recognition of the changes
- ☀️ They will be subtle at first
- ☀️ Developing in a non-egotistical way for the benefit of others
- ☀️ This is the first step to assuring personal ascension

Ascension is Gradual Process

So, in terms of what happens next then.....

☀️ This is up to the individual incarnate entity in how they work with THAT which:

- ☀️ They are
- ☀️ They can affect
- ☀️ Affects them

☀️ How they think behave and act

Ascension is Gradual Process

Note Though That.....

- ☀ Our behaviour patterns are associated with personal ascension:
 - ☀ Work in tandem with the energies associated with triangulation (**elevation through association**)
- ☀ The result is an increase in evolutionary content
 - ☀ Affecting the individual and the masses alike

BUT.....

this is up everyone to work with it

Proof that We are Ascending

Proof that We are Ascending

Our frequencies are now high enough to assure future Awakening!!

- ☀️ A rise in the number of individuals becoming interested in 'things of the spirit'
- ☀️ Awareness of the 'Greater Reality'
- ☀️ Perceiving entities who operate in the frequencies close to the physical and those beyond

Proof that We are Ascending

- ☀ The Spiritually inclined will become more *intuitive*
- ☀ Aware and awake individuals will experience a deeper level of connectivity
- ☀ Its a slow and gradual process

*More physical proof can be seen in the rapid
rise in New Technology*

Proof that We are Ascending

- ☀ Technologically:
 - ☀ 'Semi aware' individuals will receive inspiration from the cosmic knowledge (**Inventors**)
 - ☀ Delivering that which has been offered to them by spirit – the energetic (**Quantum leaps**)
- ☀ As we ascend higher more technology will become available

Proof that We are Ascending

☀ Those who are ascending will appear to disappear from physical perception

Ascension is a Process

Ascension is a Process

- ☀ Those that progress will leave those behind **Frequently**
 - ☀ Includes those who can be pulled up through triangulation
- ☀ Those that stay behind will be still be able to ascend
 - ☀ They will do it in their own time
 - ☀ They also get help from triangulation

Ascension is a Process

- ☀ To continue the critical mass
 - ☀ Entities of a lower quality
i.e. Those not of the energetic genre of mankind
Are being allowed to incarnate!
- ☀ These entities are known as **‘back-fill people’**
And benefit from the opportunity of incarnating
with individualised free will

Ascension is a Process

☀ When all of mankind ascends, the work of these back-fill people will be done

☀ They will return to their normal energetic environment passing on the:-

☀ Experiences

☀ Learning
and

☀ Evolutionary content to their energetic race

Ascension is a Process

*Progression to the point where incarnate mankind starts to become aligned with the **higher frequencies** associated with the physical universe.*
